WEBSITES AND ARTICLES

<https://www.randomactsofkindness.org/> “Our mission is to change schools, the workplace, families *and society* through kindness. We work toward that goal by creating free content that promotes kindness toward others & teaches important kindness skills to kids.”

<http://www.schoolclimate.org/> -- Our goal is to promote positive and sustained school climate: a safe, supportive environment that nurtures social and emotional, ethical, and academic skills.

<https://mcc.gse.harvard.edu/> -- Welcome to the Making Caring Common Project, where we seek to help educators, parents, and communities raise children who are caring, respectful, and responsible toward others and their communities.

<http://www.rootsofempathy.org/> --Roots of Empathy's mission is to build caring, peaceful, and civil societies through the development of empathy in children and adults.

<http://www.seedsofempathy.org/> --part of “roots of empathy” with focus on early childhood.

<https://mindup.org/> --MINDUP is the evidence based, CASEL accredited social emotional literacy program of the Hawn Foundation built upon neuroscience, positive psychology, mindful awareness training and optimism.

<https://www.mindandlife.org> -- Mind and Life's work operates in an array of rigorous fields—neuroscience, psychology, education, medicine, ethics, religion, the humanities—and is always guided by the Institute's larger mandate to alleviate suffering, cultivate kindness and compassion, and advance human flourishing.

<http://dalailamacenter.org/> -- "Educating the heart" is the Center's tag line. The Center will provide a learning environment that cultivates mindfulness: the integration of mind, body, and spirit. It will encourage heightened awareness within of our inner potential through diverse practices of art. And it will provide a venue for creative interpretation of the world's many wisdom traditions.

<https://greatergood.berkeley.edu/> --The Greater Good Science Center studies the psychology, sociology, and neuroscience of well-being, and teaches skills that foster a thriving, resilient, and compassionate society.

<http://www.schoolclimate.org/bullybust/educators> --BullyBust is designed to help students and adults become “upstanders”—people who stand up to bullying and become part of the solution to end harmful harassment, teasing, and violence in our nation's schools.
