

Webinar Topic: Exploring *Beautiful Stuff from Nature – More Learning with Found Materials* and Strategies for Introducing Basic Studio Art Materials, Tools, and Processes

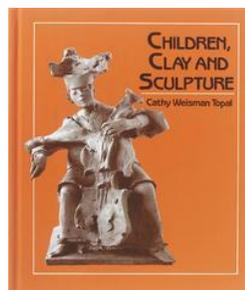

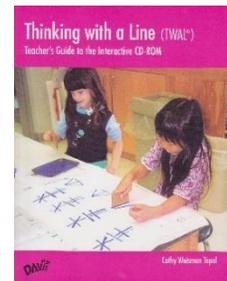

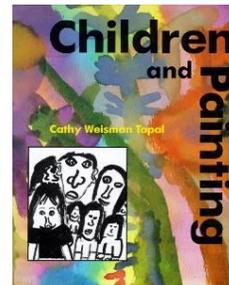

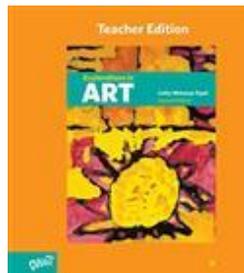

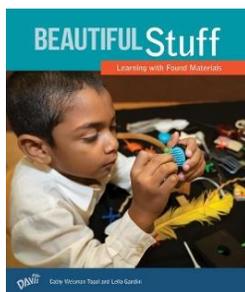

## Resources Page from Cathy Weisman Topal [ctopal@smith.edu](mailto:ctopal@smith.edu)

**Please visit my website** where short video clips of teachers and children at key moments of exploration and discovery bring teaching and learning to life. On this site you will find an abundance of resources and lesson plans – all free

**Thinking & Creating with a Line – [www.thinkingwithaline.com](http://www.thinkingwithaline.com)**

**Resource Books and Curricula** written to share discoveries while teaching and learning in early learning centers, schools, and classrooms over 40 years. All books and curricula published by Davis Publications, Inc., of Worcester, MA and can also be ordered from [Redhentoys.com](http://Redhentoys.com).
